

[MVC Skeleton](#) 

- [Home](#)

Welcome to Laminas MVC Skeleton Application

Congratulations! You have successfully installed the [Laminas MVC Skeleton](#). This skeleton can serve as a simple starting point for you to begin building your application on Laminas MVC.

[Check Laminas on GitHub »](#)

Follow Development

Laminas Project is under active development. If you are interested in following the development, you can check [Laminas dev blog](#), and [Laminas issue tracker](#) (link requires a GitHub account). This is a great resource for staying up to date with the latest developments!

[Laminas Project Portal »](#)

Discover Modules

Laminas MVC is a modular application. You can find multiple compatible modules on packagist.
